**25<sup>th</sup> June 2025**

Dear Readers, Researchers, and Contributors,

We are pleased to present the June issue of our journal, featuring a diverse and thought-provoking collection of articles contributed by scholars and researchers from across the globe. Each piece reflects our continued commitment to promoting high-quality, accessible, and impactful academic work.

We are also excited to share that we have officially initiated the application process for inclusion in the **Directory of Open Access Journals (DOAJ)**. This marks a significant milestone in our journey towards greater visibility, discoverability, and academic recognition. DOAJ is widely respected as a benchmark for open access publishing, and we believe our inclusion will further affirm our dedication to transparency, quality, and open science.

We extend our heartfelt thanks to our contributors, reviewers, and editorial team for their dedication and support. Your continued engagement is vital to the growth and integrity of our publication.

Warm regards,

On behalf of Editorial Team
